

DOMAIN OF CHAUMONT-SUR-LOIRE 2024 CHRISTMAS

DOMAINE
DE CHAUMONT-SUR-LOIRE

Dreams of yore

During the Belle Epoque era, the Prince and Princess de Broglie, the last private owners of the Château, would organise grand receptions with a certain level of avant-gardism and elegance that was popular among the upper class. Just like in those days, come and embrace the atmosphere of an aristocratic home and experience the finest, most distinguished Christmas.

The Dreams of Yore theme is the common thread that runs throughout a unique, immersive visual feast. Take a look behind the scenes into the Christmas Eve preparations. Festive decorations create a warm and magical atmosphere both in the Stables and the Château.

The reception room is filled with lavishly decorated Christmas trees. A fabulous dinner is being prepared both in the kitchen and in the dining room...

Dreams of yore

The Domain is offering a unique visitor's tour that will transport you straight into the preparations for Christmas Eve. Come and discover this new, special visitor's tour with one of our guides who will show you around the Château's most unusual rooms, decorated with lights for this occasion, such as the Prince's study, the servants' office, the kitchens and the bedroom of Robert and Marguerite, two of the royal couple's children. The tour begins in the Stables where the arrival of the guests of honour will be an exhilarating, festive moment.

[Guided tour 1 hour 15 min]
